

Are your children 'Math Confident'?

MATHNASIUM[®]
The Math Learning Center

Summer Math Camp

June 1st – September 5th

Summer Math Camp is a great way to give your child (rising 1st – 12th grade) fun activities to do during summer while also meeting their Math needs and preventing that '*summer slide*'. Our flexible programs are tailored to meet your child's specific Math goals including:

- ✓ Cure Finger Counting
- ✓ Master Number Facts
- ✓ Understand Multiplication
- ✓ Practice Long Division
- ✓ Fun With Fractions
- ✓ Prepare for Middle School
- ✓ Build Math Confidence
- ✓ Mastery of Ratios
- ✓ Cracking ACT/SAT/SSAT
- ✓ Algebra I & II, Geometry, Trigonometry, Pre-Calculus or Calculus

Summer Math Camp Packages

Just select one of two goals for your child: **Keep-Up** OR **Get-Ahead** and let us help your child reach that goal over 19 or Unlimited classes! Our flexible online scheduling even lets you choose your class dates and times, so come in when its convenient for **YOUR** family, not us!

PRIME 19 (\$449)

Flexible package of 19 visits to be used anytime during the summer. Perfect for short term math goals!

Infinity (\$649)

Perfect for getting the most out of summer. Unlimited math sessions to catch up or get ahead!!

Lifetime registration fee (\$99 per family) applies to new families.

860-785-MATH (6284)
